

AOS

www.solanco.co

Solanco Group provides a global solution contributing with environmental, social and financial sustainability in the industrial, agricultural, and hydrocarbon sectors. We develop products derived from the Sacha Inchi seedling of Amazonian origin.

Physically concentrated mixture of nutrients and organic components biotreated with bacteria (lactic acid, decomposers, thermophilic and photosynthetic), yeasts, actinomycetes, Sacha Inchi cachaça, manure and ruminal content, animal remains, plant material (Pruning remains) and lime.

1 PRODUCT LINES

AOS Organic Soil Conditioner

2 VOLUME AND PRODUCTION CAPACITY

- 6 million tow sacks
- 20-35 tonnes per month

3 COMM. CHANNEL

- Webpage (online sale)
- DSD
- D2D
- Direct sales

4 BUSINESS MODEL

- Direct
- In bulk
- Retail

5 MAIN EXPORT DESTINATION

- United States
- Europe

6 QUALITY CERTIFICATIONS

- INVIMA
- FDA
- Kosher Agency Latin America
- ISO 9001:2015
- OHSAS 18001
- ISO 140001:2015
