Tasting Notes

Color

Deep violet with purple rim, medium layer.

Nose

An explosion of prunes, with hints of blackberry compote and chocolate cake covered in a red berry sauce tremendously expressive and attractive.

Palate

An entry of cherry jam, with a significant acidity, which prevents it from being cloying, but rather makes it a balanced and easy-to-drink wine, its cloing recalls strawberries and raisin flavors.

Pairing

Semi-mature cheeses: Cheddar, Gruyere
