

## RIGID PACKAGING

Reference:

**Rigid cardboard book case**

Reference:

**Rigid packaging in cradle-type cardboard**

Reference:

**Rigid base cap type packing**

Products based on rigid cardboard also known as solid fiber laminated in enamels.

Our work is focused on offering the highest quality standards in each package. Whether for gifts, as part of corporate gifts, special editions or presentation of premium products, our boxes are an excellent complement to enhance the beauty and quality of the products.
