

*"We want to be your provider of infrastructure and technology services."*

# STRENGTHS

- Distributor of equipment communication DLINK - ZYXEL - ALLIED TELESIS
- Distributor of energy regulation equipment CDP, VERTIV, APC
- Distributor of Siemon, Nexxt, Commscope, Hikvision and Dsc.
- Success cases in the installation of fiber optic ring infrastructure
- Integrators in structured cabling services
- Provider of project of 100 photovoltaic Pumping System.
- We are certified with AMP (Commscope), Furukawa, Nexxt, Siemon, Hikvision, 3M, Fluke, CDP, etc.

# OUR SERVICES

## DATA TRANSPORT

Copper and fiber optic networks

Wireless networks

## SAFETY

Security alarm systems

Integrated IP CCTV systems

## MEDIUM VOLTAGE ENERGY TRANSPORTATION

uninterruptible power systems [UPS]

Solar energy systems

## LOW VOLTAGE ENERGY TRANSPORTATION

uninterruptible power systems [UPS]

# *IOT infrastructure project*

*Deployment of LORA networks for customers who want to interconnect the data that moves through their IoT network.*
