

Product	Cleansing facial mask made of bentonite (Colombian mud), honey, oats, coffee, panela and natural oils.
Description	<p>The face is one of the places where the skin concentrates its excesses of impurities, generating in many cases a skin with excessive shine and even acne problems. Usually these problems are treated with products that are significantly strong for the body. This is why Mae Selva found a solution that manages to cleanse the skin and provide nutrients and natural hydration. Mae Selva perfectly combined the best ingredients to keep the face in its best version, fusing bentonite (Colombian mud with properties unimaginable to the skin), the exotic medicinal powder of Neem (plant of Hindu origin used hundreds of years ago), salicylic acid, oatmeal, brown sugar, tea tree oil and eucalyptus, among others. This combination will bring a deep cleansing to the skin, being the best option for the impurities of the face.</p>
